

There are 3 colour variations of the blanket. In the pattern I will give you the colour numbers to which you will have to change. The sequence will always be pink (Rose Scent) / blue (Sea Breeze) / green (Morning Dew). But you can always choose your own colours if you wish!

I call the first stitch of this week, crow's feet, because that's what I think the stitch looks like. The actual feet as well as the ones who seem to appear more and more on the side of my eyes. ;-) A nice stitch to crochet!
