

Pattern Gauge Swatch Cal #2

I make this gauge swatch with Colour Crafter from Scheepjes on a 4mm hook.

The size of this gauge swatch is 10 x 10 cm made with the pattern underneath.

Is your swatch smaller than this, with the same number of stitches and rows? Then you should use a bigger hook.

Is your swatch bigger than this, with the same number of stitches and rows? Then you should use a smaller hook.

If yardage doesn't matter to you, then just crochet the blanket with your favourite hook and with the hook that gives you the best result. After all, it is your blanket. You are the one who has to enjoy making it.

This gauge swatch is just an aid, it is not compulsory!

Chain 19 chain stitches.

Row 1

Make 1 tr in the 4th stitch and in all 15 stitches after.

Row 2

Ch 1. (does not count as a stitch) 1 dc in the first stitch and in all 16 stitches after. Your last dc is in the 3rd ch of the 3-ch starting chain of the previous row.

Row 3

Ch 3. (counts as 1 tr) 1 tr in the second stitch and in all 15 stitches after.

Row 4 to 13

Repeat row 2 and 3

After 13 rows my swatch was just 10 x 10 cm.

Have fun with it!

Enjoy your hobby, enjoy the crochet.
