

Pattern Gauge Swatch Home Sweet Home

I made this gauge swatch with Colour Crafter from Scheepjes on a 4 mm hook.

The size of this gauge swatch is 10 x 10 cm made with the pattern underneath.

Is your swatch smaller than this, with the same number of stitches and rows? Then you should use a bigger hook.

If yardage doesn't matter to you, then just crochet the blanket with your favourite hook and with the hook that gives you the best result. After all, it is your blanket. You are the one who has to enjoy making it.

This gauge swatch is just an aid, it is not compulsory!
