

Week 13, the very last week of the blanket itself. Then all that's left is the border. We are starting the week with 198 stitches on the row. Enjoy this week!!  
On the end of row 265 change to colour 1009/1064/1099/1080.

**Row 266**

Chain 1 (does not count as a stitch). Make 1 htr in the 1<sup>st</sup> stitch and in every stitch to the end. During the last step of the last htr, change colour 1065/1130/1422/1081.

**Row 267**

Chain 2 (does not count as a stitch). Make 1 tr in the 1<sup>st</sup> stitch and in every stitch to the end. During the last step of the last tr, change colour 1724/1005/1203/2010.

**Row 268**

Chain 3 (does not count as a stitch). Make 1 dtr in the 1<sup>st</sup> stitch and in every stitch to the last stitch. During the last step of the last dtr, change colour 1065/1130/1422/1081. Leave the 2-ch starting chain.

**Row 269**

Chain 2 (does not count as a stitch). Make 1 tr in the 1<sup>st</sup> stitch and in every stitch to the end. During the last step of the last tr, change colour 1009/1064/1099/1080. Leave the 3-ch starting chain.

**Row 270**

Chain 1 (does not count as a stitch). Make 1 htr in the 1<sup>st</sup> stitch and in every stitch to the end. During the last step of the last htr, change colour 1432/1004/2012/1302.

**Row 271**

Chain 1 (does not count as a stitch). Make 1 dc in the 1<sup>st</sup> stitch and in every stitch to the end. Fasten off.

### Row 272

The **Pearl stitch** is up again, for the very last time. Enjoy it while you can. It really is a gem of a stitch and it gives a very elegant touch to your blanket!

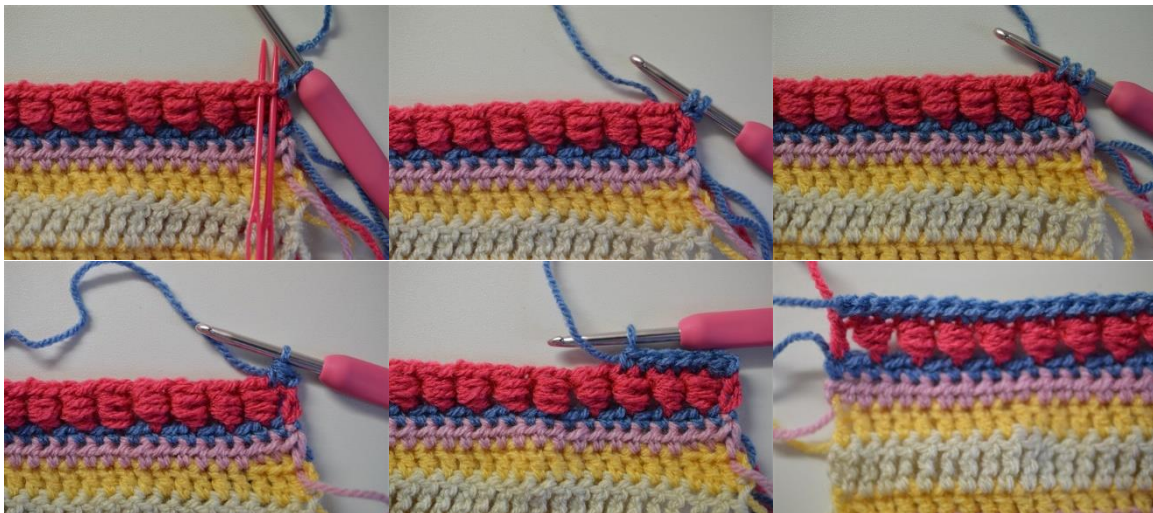

Attach colour 1822/1080/2018/1083 in the first stitch of the other side of the row you just ended on.

Chain 3 (counts as your 1<sup>st</sup> treble). In the next stitch (the 2<sup>nd</sup>) make another treble. Around this treble you will make a 'pearl'. For this, do a yo and place your hook behind the treble you just made. Do another yo and pick it up. Repeat this 2 more times. You now have 7 loops on your hook. Do another yo and pull it through the first 6 loops on your hook. Make a final yo and pull it through the final 2 loops. You made your first 'pearl'! Skip 1 stitch, and in the next stitch make 1 treble. \*Make a 'pearl' around this treble. Skip 1 stitch and in the next stitch make 1 treble.\*\* Repeat from \* to \*\* to the end of the row. And the end, fasten off.

### Row 273

Attach colour 1432/1004/2012/1302 in the first stitch of the other side of the row you just ended on. (3-chain starting chain)

Chain 1 (does not count as a stitch). In the 1<sup>st</sup> and 2<sup>nd</sup> stitch make 2dc tog. For this, put your hook in the 1<sup>st</sup> stitch and pick up a thread. Put your hook in the 2<sup>nd</sup> stitch and pick up another thread. You now have 3 loops on your hook. Do a yo and pull it through all 3 loops. You now decreased 1 stitch. Because you need 197 stitches for the last rows. For the rest of the row, make 1 dc in every stitch to the end. Fasten off. Do take a minute to count your stitches. Do you have 197?

### Row 274

Attach colour 1277/2010/1034/1820 in the first stitch of the other side of the row you just ended on. Chain 3 (counts as a stitch). Make 1 tr in the 2<sup>nd</sup> stitch and in every stitch to the end.

### Row 275

Chain 3 (counts as the 1<sup>st</sup> treble). Make 1 treble around each 3 next trebles of the last row. So you will not make a treble in the stitch itself. For this, do a yo (yarn over) and place your hook from front to back and from right to left behind the 2<sup>nd</sup> treble of the last row. Make a yo and pick up the thread. Make another yo and pull it through the first 2 loops on your hook. Make

another yo and pull it through the last 2 loops on your hook. This was your first **relief treble**. Do the same with the next 2 stitches.

On the next of the 3 trebles of the last round you will do another 3 relief trebles, but this time from the back. For this, do a yo and put your hook from back to front and from right to left behind the 2<sup>nd</sup> treble of the last row. Make a yo and pick up the thread. Make another yo and pull it through the first 2 loops on your hook. Make another yo and pull it through the last 2 loops on your hook. Do the same with the next 2 stitches.

Repeat this until you have 1 stitch left (the 3-chain). Always 3 relief trebles on the front and 3 at the back. You end with 3 relief trebles on the front. In the last, end with a normal treble in the 3<sup>rd</sup> stitch of the 3-chain of the last row.

### Row 276

Chain 3 (counts as the 1<sup>st</sup> treble). Make 1 treble around the next 3 trebles of the last round. This row is basically the same as the last row, but then the other way around. You now start with 3 relief trebles on the back and then 3 relief trebles on the front. Continue until the last stitch. The last 3 relief trebles will be at the back. The last stitch of the row is a normal treble in the 3<sup>rd</sup> stitch of the 3-chain of the last row.

### Row 277

Chain 3 (counts as the 1<sup>st</sup> treble). Make 1 treble around the next 3 trebles of the last round. This row is the same as row 2. Start with 3 relief trebles on the front and then 3 relief trebles on the back. Continue until the last stitch. The last 3 relief trebles will be at the front. The last stitch of the row is a normal treble in the 3<sup>rd</sup> stitch of the 3-chain of the last row.

### Row 278 to 281

Keep repeating row 276 and 277. After row 281, fasten off.

Can you believe your blanket is (almost) finished? Look at it and be proud!! This is your blanket! You made it!! The only thing left is crocheting a border around it. That is for next week.

Enjoy your hobby, enjoy the crochet.

Until next week!!
